PROCEEDINGS.

A seminar lecture on "Harmful Effect of Plastic" was organised by Alumni Association, Oriental College, Patna City at Hall No. 1 dated 07-07-2016 at 10:30 a.m.

Seminar lecture was presided by Prof. Dr. S. S. Masoodul Rahman, Principal Oriental College, Patna City.

Among the audience teaching staffs, non teaching staffs, old boys and students of Oriental College were present.

Dr. Faiz Ahmad, Deptt. of Zoology, Oriental College, has ~~discussed~~ lighted the harmful effects of plastic, when plastics are burned in open air, it leads to the air pollutions because poisonous chemicals are released into the atmosphere during combustion. When human or animals inhale the polluted air, it can affect the general well being and caused respiratory disorders.

According to Dr. Shamim Ahmed, Dept. of Botany, Oriental College, plastic has toxic pollutants, that damage the environment and cause land, water, and air pollution.

It can take 100 or 1000 of years for plastic to break so damage the environment long lasting.

Dr. Sikandar Afzal a Surgeon and working at Qatar discussed the various effects of plastic on humans. Plastic causes irritation in the eye, vision failure, breathing difficulties, cancer, skin disease, lungs problems, headache etc.

Finally President in his lecture he discussed about sea animals such as Dolphins, Turtles, whales, penguins; are killed every year due to plastic bags. Many animals ingest plastic bags mistaking them food and therefore die. The ingested plastic bags remains intact even after the death of and decomposition of the animals, thus it lies around the

landscape when another action ingest it.

At the end of the seminar lecture a resolution was taken

"Make free college campus from plastic cups (tea). & plastic bags. etc."

PROCEEDINGS

Oriental College Alumni Association organised a meeting in Hall No 1 at 10 a.m. on 12-08-17

Meeting was presided over by Prof. Muzaffarul Huda, Head of the Dept. of Zoology, Oriental College Patna City.

Alumni of Oriental College from different fields, including teaching staffs, non teaching staffs as well as students were present in the meeting.

Discussions were made on Clean

Air Gardening

Prof. Dr. Shamim Ahmed, Dept. of Botany said that plants act as highly effective air cleaners, absorbing carbon dioxide and also many air pollutants, while releasing fresh oxygen and fragrance. Also a dense cover of plants and mulch hold soils in place, reducing erosion and keeping sediment out of streams, storm drain and roads.

According to Dr. S.S. Masoodur Rehman, Gardening is good for mind and

and body. Gardening reduces stress, lower blood pressure, lowers cholesterol and decreases depression.

Dr. Iqbal Ahmed had discussed about the advantages of Gardening.

Gardening provides nutritious veggies and fruits for on dinner table and beautiful flowers to decorate it. Gardening offers a variety of health benefits.

Dr. Faiz Ullah highlighted the advantages of Neem Tree. Neem leaf is used for leprosy, eye disorders, bloody nose, fever, diabetic, gum disease and liver problems, and to remove sandrut.

After discussion it was resolved that different types of trees shall be planted in the college campus.
